1. INTRODUCTION

IEEE MEMBERSHIP AND GEOGRAPHIC ACTIVITIES (MGA) in its Operations Manual, has defined the basic protocol for a Student Branch to operate. This document is a simplified addendum issued by the section to assist Student Branches in streamlining its operations. Whenever a conflict is identified, the latest revision of MGA Operations Manual takes precedence over this document.

2. EXTRACTED CLAUSES FROM MGA MANUAL

Following clauses are extracted from IEEE MGA Operations manual, on which the SBs are expected to operate.

Section 9.7 – Student Branches

A. DEFINITION

A Student Branch is a basic operating organizational unit of an IEEE Section or Region, constituted by a minimum of twelve (12) IEEE members of Student Member or Graduate Student Member grade at a particular college, university, or technical institute, to represent and fulfill the needs of the members and the missions of IEEE. Each Branch shall conduct its activities within the IEEE Constitution, IEEE Bylaws, IEEE Polices, MGA Operations Manual, and other rules externally imposed, which by law affect the membership and activities of IEEE.

D. STUDENT BRANCH CONSTITUTION

Each IEEE Student Branch shall adopt and conform to a Student Branch constitution with a copy submitted to IEEE Headquarters. The Branch constitution shall provide for the management of the Branch affairs by an ExCom consisting of the elected officers and any other members as may be specified.

E. STUDENT BRANCH OFFICERS

4. Officers of the Branch shall include at least a Chair, a Vice Chair, a Secretary, and a Treasurer, or a Secretary-Treasurer.

3. ANNEX TO CLAUSE D

Every student branch need to possess a constitution, approved by the majority of the membership at the inauguration. If not available, the SB shall immediately form a petition, circulate among the members and get approved at the earliest AGM held. Refer to Attachment 7.1 for sample constitution.

4. ANNEX TO CLAUSE E

Specific responsibilities of Student Branches, Branch Officers, and Counselors are described on the following pages. However, it is important to note that an Officer's responsibility is not limited to points outlined below. If your Branch is to succeed, it requires that you be willing to reach beyond the customary roles defined here.

4.1. Executive Committee

The Branch Executive Committee is responsible for administering Branch operations and traditionally consists of the Chair, Vice-Chair, Secretary, and Treasurer. However, you can increase your support by including as many people as possible in your team, including your Counselor. The Executive Committee should meet regularly to develop programs plans, review progress, and maintain good communication. Two requirements of the Committee are to ensure that the Annual Activity Report and Officer Reporting are completed.

Annual Activity Report - Due 1st of November annually

The Annual Activity report can be found at: <https://sbr.vtools.ieee.org/>. It must be submitted no later than **1st of November annually.**

By working toward defined goals, your Branch is able to measure and evaluate its effectiveness during the course of the year. To encourage you to complete the Annual Activity Report, IEEE Headquarters provides an incentive allotment of US\$100.00 (if your Branch has more than 50 members), or US\$50.00 (if your Branch has less than 49 members). Additionally, IEEE provides an incentive rebate of US\$2.00 per student member at your Branch (based on your membership on 31 December of the previous year)

4.2. Student Branch Chair

The Student Branch Chair is the key to effective student leadership. He/she is responsible for the overall management of all Branch affairs. Some specific duties of the Branch Chair include:

1. Preside at all meetings of the Student Branch.
2. Hold regular meetings of the Branch Executive Committee.
3. Appoint Program, Publicity, and Membership Committee Chairs promptly.
 - 3.1. Chair shall appoint Committee Chairs or Project Chairs depending on the requirement. It is always encouraged to appoint such positions, considering the future leadership of the Student Branch.
4. Complete the annual Activity Report– **due no later than 1st of November.** (<https://sbr.vtools.ieee.org/>).
 - 4.1. It is always encouraged to submit this report with at least basic annual activities as it acts as the proof for the active existence of the SB, on which the rebate is calculated. SLSAC will evaluate and forward recommendations to the SL Excom to re-consider disbursement of funds to SBs which do not submit their annual reports.
5. Arrange for the election of new Officers annually and report via vTools Officer Reporting (<https://officers.vtools.ieee.org/>).
 - 5.1. It is mandatory to make the process of appointments transparent. The outgoing Chair, jointly as a member in Excom and severally as an officer, is always accountable for the appointment process.
 - 5.2. The Chair could be inquired at any given time by SL SAC, with approval of the SL EXCOM, to clarify appointment of officers.
6. Ensure smooth transition of information and materials to newly elected Officers and arrange an orderly transfer of Student Branch records.
 - 6.1. All the documents related to SB shall be uploaded to a cloud drive, with access permission for the chair of each year.
7. Coordinate activities with local Section and Region volunteers.
 - 7.1. Contact points from section are Section Student representative (SSR) and Section Student Activities Chair (SAC). Communication with Regional officers should be through the two aforementioned officers, or with them in Carbon Copy.
8. Communicate frequently with local University IEEE Student Branches.
 - 8.1. Section always encourage SBs to work collaboratively. Please communicate to SSR and SAC for details.

4.3. Student Branch Vice-Chair

Some of the suggested duties include:

1. Chair the Membership Committee.
 - 1.1. Vice chair is responsible for the membership growth. IEEE MGA and Region 10 is in a strict process of evaluating and dissolve SBs with low membership. It is encouraged to organize at least one Member Recruitment Programme per year.
2. Assist the Branch Chair in following up on assigned committee responsibilities.
3. Perform all functions of the Branch Chair in his/her absence or upon request.

4.4. Student Branch Secretary

The Student Branch Secretary serves as the record keeper and historian of the Student Branch. He/she is responsible for maintaining all records.

Some of the specific duties include:

1. Keep detailed minutes of each meeting.
 - 1.1. All records should be uploaded to the common cloud space.
2. Maintain the membership roster and committee assignments on the Branch website (<http://sites.ieee.org/hosting/>).
 - 2.1. Secretary should access IEEE OU Analytics or SAMIEEE and extract membership data whenever required, especially for reporting to SL SAC. (<https://www.ieee.org/about/volunteers/samieee/index.html>)
3. Be responsible for all correspondence.
4. Post a calendar of events.
5. Ensure that the Branch Constitution and Bylaws are adhered to.
6. Arrange for an orderly transfer of all records to the incoming Secretary.
7. Prepare activity reports and submit on time to SL SAC and SL Excom for evaluation
 - 7.1. SL SAC will make the announcement **biannually** calling proposals / reports of projects, which will be considered as the basis on which rebate will be distributed.

4.5. Student Branch Treasurer

The Student Branch Treasurer is responsible for maintaining the financial accounts. It is imperative that all records be kept current and as accurate as possible.

The specific duties include:

1. Maintain the appropriate financial accounts. Your bank account should be interest bearing and require two signatures; the faculty counsellor should always be one of those signatures.
2. Prepare an annual budget for inclusion in the Annual Activity Report (due 1 November annually - <https://sbr.vtools.ieee.org/>).
 - 2.1. Treasurer, in conjunction with Project Chairs, shall prepare the budget for each activity.
3. Prepare the final Financial Statement for inclusion in the Annual Activity Report.
 - 3.1. All expenses should be recorded with proof and included in the Annual Report. Project Chairs should hand over bills for all expenses to the treasurer for this purpose.

 - 4.1. Contact details of treasurer should be mentioned in all sponsorship related material. Treasurer is responsible for issuing invoices to companies for all sponsorships, and maintaining a record for Annual Report.
5. Arrange for an orderly transfer of all financial records to the incoming Treasurer.
 - 5.1. All records should be uploaded to the common cloud space.

4.6. Student Branch Counsellor

The Student Branch Counsellor is a University or College faculty member, and active IEEE Member, who serves as an adviser to the Branch. The Counsellor lends a sense of continuity and is a key individual whose participation is vital to the success of a Branch.

The Branch Counsellor is appointed by the local Section Chair, upon the recommendation of the Student Members and the Regional SAC Chair (RSAC), and serves with the approval of the Department Head.

The appointment (or re-appointment) is normally for two years, commencing July 1. Once a new Counsellor is elected, report via <https://officers.vtools.ieee.org/>.

In addition to a vibrant and good working rapport with the student Officers, the Counsellor should be in frequent contact with the Section SAC Chair. He/she should act as a liaison with the Section, the Region, and IEEE Headquarters, and should be familiar with all aspects of Branch operations.

Some specific duties include:

1. Ensure that information (via email generally) from IEEE Headquarters is transmitted to the student Officers.
2. Attend Executive Committee meetings and assist the committees.
3. Participate in Regional Activities Committee meetings.
4. Consult with the Section SAC Chair, Regional SAC Chair, or Region Director about activities or problems.

8. Establish industrial contacts for programs and activities.
9. Assist with promoting activities to other faculty members.

4.7. Operating Committees

Having different operating committees can help sustain a balanced, broad-reaching program of activities. By having several committees, you can also involve more of your student members in the planning and leadership responsibilities.

Some recommended committees are:

- **Program Committee:** responsible for planning activities for the year.
- **Publicity Committee:** responsible for advertising activities.
- **Membership Committee:** responsible for recruiting activities.
- **Finance Committee:** responsible for helping the Treasurer plan fundraising activities.
- **Nominating Committee:** responsible for all elections. This committee must ensure that all candidates are active IEEE Student Members in good standing at the time of their declaration.

5. OFFICER REPORTING

V tools is the online platform for all sorts of reporting. It mandatory for all officers to ensure that the reports are duly submitted through v-tools, and on time.

5.1. Process of officer reporting

IEEE geographic unit officer reporting may be submitted to IEEE **at any time.**

New officers or officer changes are submitted via the [vTools.OfficerReporting tool](#). Access to this tool requires use of an [IEEE Account](#).

[vTools.OfficerReporting tool](#) enables current geographic unit volunteers to submit officer reporting online. Volunteers can enter new officers and view, remove, or replace existing officers. Officer names are automatically validated and then updated to the IEEE database. Please note that validation is based on business rules per geographic unit type.

5.2. Officer Reporting Guidelines

1. [Verify that all officers are eligible to hold office](#) before submitting. This applies to all positions except Newsletter Editor and Webmaster.
 - 1.1. Its mandatory for Chair, Vice chair, Secretary and Treasurer to have membership more than 1 year to the date of appointment. The chairman should be a project chair in at least one project, and have actively contributed in fund raising and membership development.
2. Member numbers of unit officers must be included when entering data into [vTools.OfficerReporting](#).
3. Electronically submitted forms are sufficient for reporting requirements to IEEE Member and Geographic Activities (MGA). There is no need to mail hard copy with the same information.
4. The names of newly elected officers must be reported to IEEE MGA within **20 days following the election.**
 - 4.1. *Chair* should inform changes in student branch executive committee to the SAC chair and SSR with their complete details within 7 days from the date of such change, by a separate email.
5. Use IEEE e-mail aliases when available.
6. If a newly elected officer does not meet eligibility requirements, or if officers are not reported, the position will be listed as vacant until reporting of an eligible officer is received.
7. Remember to print a copy for your records in order to verify against the most recent [Geographic Activities Roster](#).

5.3. V-tools tutorials for Officer Reporting

Following tutorials provide a comprehensive understanding on how to report officers via v-tools

1. Select OU to manage ([PDF](#))
2. View Officer Roster for Organizational Unit ([PDF](#))
3. Add Officer to Organizational Unit ([PDF](#))
4. End Term of Officer for Organizational Unit ([PDF](#))
5. Request New Officer Position ([PDF](#))
6. View Officer Logs ([PDF](#))
7. Manage URL for Organizational Unit ([PDF](#))

6. ACTIVITY AND FINANCIAL REPORTING

To help you keep track of your yearly activities, your Student Branch is required to [submit the Student Branch Activity Report](#). It also serves as a valuable historical document to aid future executives in their planning and records financial statements so it is important that the Student Branch Treasurer is involved in the preparation of the report. To encourage you to submit this plan and to meet IEEE Bylaw requirements, an incentive allotment of US\$100 is given if your Branch has 50 or more members or US\$50 if your Student Branch has fewer than 50 members. The due date for filing this report is on or before 1 November annually. In addition, IEEE provides an incentive rebate of US\$2 per Student or Graduate Student member at your Branch (based on membership statistics as of 31 December of the previous year).

Completing the Student Branch Activity Report should help you evaluate the success of your program and to provide some continuity for future years. IEEE requires that Student Branches report their activities and maintain a minimum of 10 Student or Graduate Student members.

SL Section and SL SAC shall request reports from SBs on requirement, to which the secretary shall prepare reports as required. It is important to understand that the report submitted to v-tools is the only report sent to IEEE HQ, which is recorded for the existence of SB. SL Section is not responsible for that report. However, if v-tools reporting procedure has not been followed, the rebate for such SB will not be sent from HQ to SL Section. Subsequently, SL SAC shall recommend SL Section to either reduce or block disbursement of rebate to such SBs, even though they have submitted all reports to SL Section on time.
